Verse One

Broken, wounded,
distressed, depressed
That was my life for so long
Nothing went right for so long

Empty, pushed around,
beaten, down for the count
That was my life for so long
Nothing went right for so long

But today, I can say

Chorus

I am the one that He left the 99 for
I have begun to understand what Jesus died for
My redemption, salvation, deliverance
Yes I'm the one, I know I'm the one, I am the one (rep this line) (ch2 'yes I am)

Verse Two

Lonely, hopeless, pained & faithless
That was my life for so long
Nothing went right for so long

Persecuted, beyond repair,
I went astray because my soul was cast down, and disquieted within me

But today, I can say [*Chorus*]

Vamp

I am saved, I've been set free,
I'm delivered, Jesus has rescued me
It's not His will, that I should perish
Jesus sought me out, now I rejoicing
oh-oh yes [Repeat - Vamp inverted]
[*Chorus* – inverted]
Yes I'm the one
