Chorus
Each time I think
About your goodness
And all you've done for me
You set my soul free
You died on Calvary (*You did it on Calvary*)
Calvary
(2 x)

Bridge
Picked me up
Turned me around
(4x)

I gotta go tell somebody, Just can't keep it to myself
What the Lord has done for me
Gotta tell everybody
Just can't keep it to myself

(*Repeat*)

Clothe me in my right mind
Give me peace of mind
To tell the world about your you love
Jesus saves
(Repeat)

Vamp
If you can't tell it
Let me tell it
