Verse

They that wait upon the Lord
Shall renew their strength
They shall mount up with wings
Like an eagle

Chorus

They shall walk and not get dreary
They shall run and not be weary
These promises are from His word
[Sopranos] It's for those
Who wait upon the Lord.

Bridge

Wait on Him
[Sopranos] lean not to your own understanding
Wait on Him
[Sopranos] He will direct your path
Wait on Him
[Sopranos] If you need Him to see you through
Wait on Him
[Sopranos] He will surely deliver you

Just wait on Him (Xx)

Vamp

These promises are from His word [repeat]
It's for those who will wait
It's for those, those wait upon the Lord

Standing, standing
Standing on the promises of Christ my Saviour
Standing, standing...

Promises are from His word
These promises are from His word
It's for those who will wait
It's for those, those wait upon the Lord
