Verse

I will exalt thee oh Lord my King
My lips shall sing of your faithfulness
The mighty works of your hands
You displayed it to man
That is why I can say

Chorus

Lord you're worthy
Oh, so worthy
You are worthy all of the praise
Lord you're worthy
Oh, so worthy
You are worthy of all the praise

Verse [In Harmony]

Chorus

Lord, you're worthy
All the praise it goes to you
Yes, you're worthy
This moment we give to you
In total love and surrender
We bask in your splendour
We bow down and we say
